Reconstruction and safety enhancement project

This local government project will improve safety and enhance the function of the local transportation system by reconstructing Main Street in Herriman from 5600 to 6200 West. New shoulders, sidewalk curb, gutter and lighting will be added. The majority of the project will be constructed in 2009. UDOT will provide project oversight

Current anticipated budget: \$3.5 million

NOTE: Schedule information is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Legislative Districts:

Senate: 10

House: 52

Anticipated start date:

FALL 2008

Municipality: Herriman City

Take care of what we have • Make the system work better • Improve safety • Increase capacity
